

A letter of Appreciation

Following the International Forum on “Building GovernanceCapacity” , organized by the Ministry of the Interior, Local Authorities and Territory Development on 04-05 December 2018 at the International Center of Conferences , I have the honor to give my warm thanks to all the organizers having participated in making successful this international event.

I’d like as well to address my sincere appreciation to the representatives of the Government Departments, public organizations and enterprises, representatives of the local administration, officials of Schools, Institutes, Universities and Research Centers, for their eminent participation through rich debates and views exchanges engaged altogether with their colleagues from the Chinese National Academy forGovernance, which would consolidate a close partnership between us and the Chinese partner.

I wouldn’t miss congratulating the efforts of the participants in the organization of this international event; from officials, public servants and agents of the Ministry of the Interior, Local Authorities and Territorial Development as well as all services of the Police, National Gendarmerie, Civil Protection and the media.
